Lighting made easy

Pivotaire

Pivotaire is a recessed linear lighting system that allows visionaries and installers the **flexibility** to achieve any angle desired. The patented system makes it **easy** to plan, order, and execute any vision.

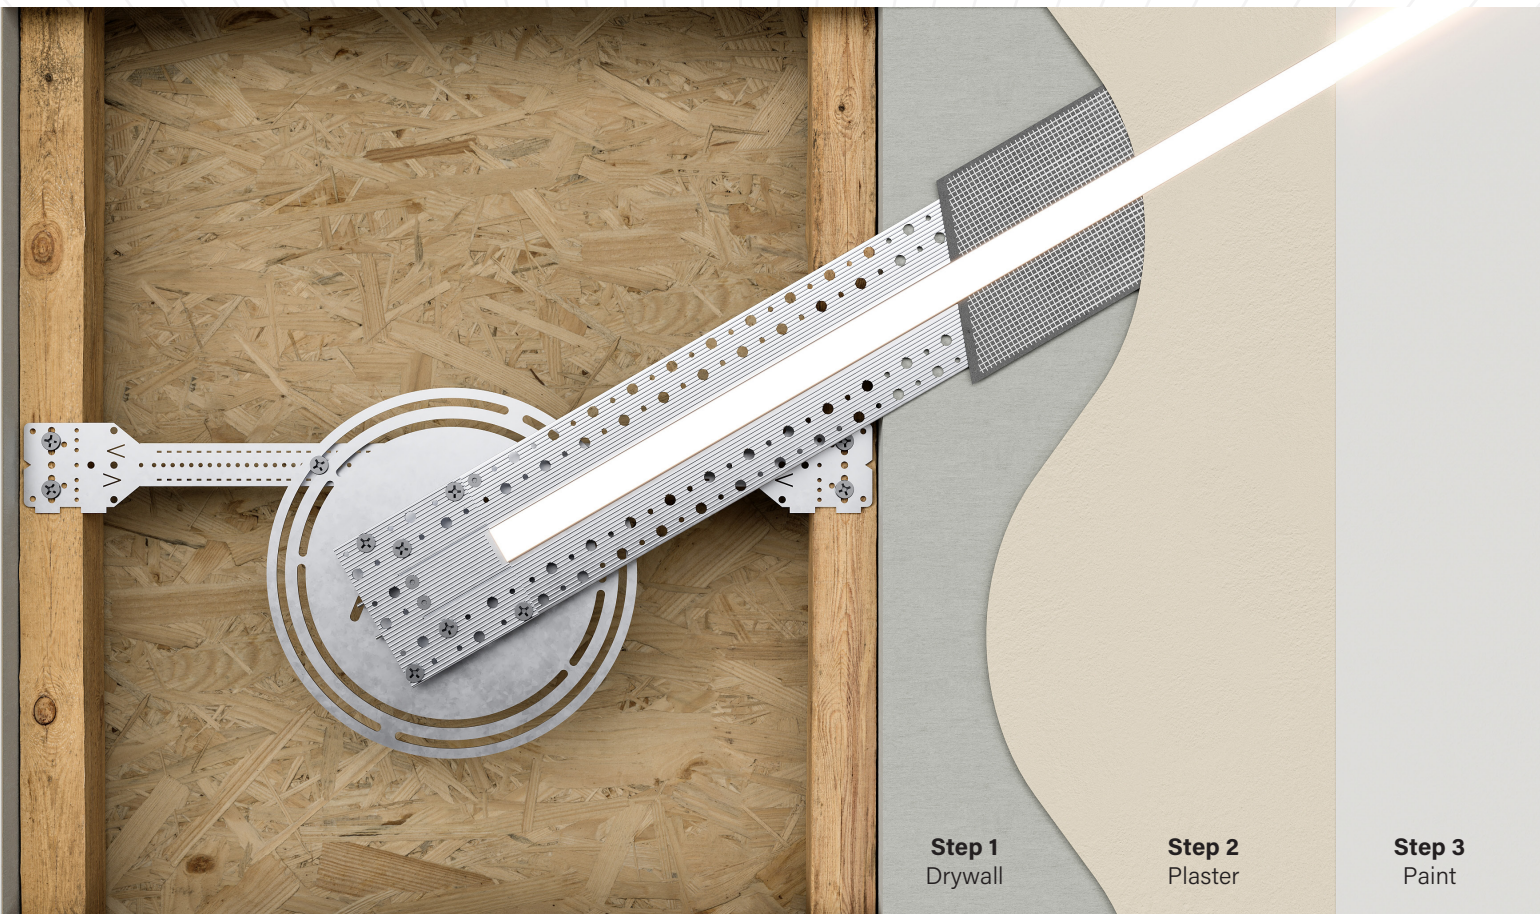

The
power of
freedom

Zig-Zag Fixture Configuration

Why Folks Rave About Pivotaire

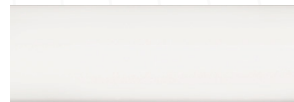

- ◆ Patented **mounting system** allows Pivotaire to be mounted at any angle, including horizontal, vertical, and any angle you can envision.
- ◆ No need to use expensive proprietary **junction boxes** with long lead times.
- ◆ Industry leader in **light uniformity**. No dark edges.
- ◆ **Six-year warranty** ensures that Optique Lighting is with you well beyond just the first 90 days.

A Good Looking Light

Unique, patented lens design allows even illumination across the entire surface from one edge to the other — no dark edges.
